Verse:

Chop up your heart with my truthful tongue.
Don't touch me girl until the song is done,
And when I leave you'll hear the song I've sung
That is the way I'll have my fun.
Chop up your heart with my truthful tongue.
Don't touch me girl until the song is done,
And when I leave you'll see the wrong you've done
You'll be gone and I'll have fu-u-un fu-u-un, I'll have my fun
Sleepin' creepin' evidence you're leavin'
Wish you were here so I could sleep just shy of a lie.
Open up the window sill
Find a cold piece of anything that I ever loved...
Only thing I ever loved...

Chorus:

Does she know my name?
Doesn't mean a thing,
And if my luck don't change
I'll probably be the last one standing...
Lord, standing here...
Probably be the last one standing here. Verse:
Chop up your heart with my truthful tongue.
Don't touch me girl until the song is done,
And when I leave you'll hear the song I've sung
That is the way I'll have my fun.
Chop up your heart with my truthful tongue.
Don't touch me girl until the song is done,
And when I leave you'll hear the song I've sung
That is the way I'll have my fun.
Sleepin' creepin' evidence you're leavin'
Wish you were here so I could sleep just shy of a lie.
Oh yeah
Open up the window sill
Find a cold piece of anything that I ever loved...
Only thing I ever loved...

Chorus 2:

Does she know my name?
Doesn't mean a thing,
And if my luck don't change
I'll probably be the last one standing.
Climb through my window please,
Get on my bed and freeze

And if my mind don't change
I'll probably be the last one standing here...
Woah, lord, standing here...
Only thing I ever loved...
Only thing I ever loved...
Only thing I ever loved...
Only thing I ever loved was...Bridge:
You (sleepin creepin evidence you're leavin)
You are the last one...End
