

# The Way That I Love You

## Ashanti

After all of the times that we tried,  
I found out we were living a lie And after all of this love that we made,  
I Know Now you don't love me the same  
The way that I love  
(The way that I love you) The way that I love  
(The way that I love you)  
The way that I love  
(The way that I love you) I woke up kinda early today, and something told me from that  
moment it wouldn't be the same  
Felt like you were hidin' something, but I didn't push it,  
I didn't complain or say nothing  
I tried to act like I didn't see it,  
'cause deep down I know I didn't wanna believe it  
There it was, it was you and her,  
you left your sidekick on the night stand and I read  
Everything you did and everything you said,  
Now I'm standin' here lookin' like, "Damn" I thought it was you and I,  
now all I gotta say is "Why"?

After all of the times that we tried,  
I found out we were living a lie And after all of this love that we made,  
I Know Now you don't love me the same  
The way that I love  
(The way that I love you) The way that I love  
(The way that I love you)  
The way that I love  
(The way that I love you)

I noticed now that when I'm around, you be tryin' to lock the door, whispering on the phone  
Now wait a minute,  
since we been in this house you ain't never did this before, tell me what's this about.  
(What's this about)

I tried to sit and say to myself, this here is too good, he don't want nothin' else  
But there it was, it was you and her,  
you left the credit card receipt inside the beamer with Everything you bought  
And everything you spent, now I'm standing here, once again  
I thought it was you and I Now all I have to say is "Why"?

After all of the times that we tried,  
I found out we were living a lie  
And after all of this love that we made,  
I Know Now you don't love me the same  
The way that I love  
(The way that I love you)  
The way that I love

(The way that I love you)  
The way that I love  
(The way that I love you)  
Oh, Oh  
You lied  
You lied  
Oh, Why  
Why  
Yes

Why'd you have to lie to me  
Why'd you have to lie to me-e  
Why'd you have to lie to me  
Whyyyy...

After all of the times that we tried,  
I found out we were living a lie  
And after all of this love that we made,  
I Know Now you don't love me the same

The way that I love  
(The way that I love you)  
The way that I love  
(The way that I love you)  
The way that I love  
(The way that I love you)
