

Ain't It Fun

Paramore

I don't mind,
Letting you down easy, but just give it time
If it don't hurt now well just wait, just wait a while
Another big fish in the pond no more
You are what they're feeding on So what are you gonna do
When the world don't orbit around you? So what are you gonna do
When the world don't orbit around you? Ain't it fun?
Living in the real world
Ain't it good?
Being all alone
Where you're from
You might be the one who's running things
Well you can ring anybody's bell and get what you want
See it's easy to ignore trouble
When you're living in a bubble So what are you gonna do
When the world don't orbit around you?
So what are you gonna do
When nobody wants to fool with you? Ain't it fun?
Living in the real world
Ain't it good?
Being all alone Ain't it good to be on your own?
Ain't it fun you can't count on no one?
Ain't it good to be on your own?
Ain't it fun you can't count on no one?
Ain't it fun?
Living in the real world
Don't go crying to your mama
'Cause you're on your own in the real world
Don't go crying to your mama
'Cause you're on your own in the real world Don't go crying to your mama
'Cause you're on your own in the real world
Don't go crying to your mama
'Cause you're on your own in the real world Ain't it fun? Ain't it fun?
Baby, now you're one of us
Ain't it fun?
Ain't it fun?
Ain't it fun? Ain't it fun?
Living in the real world
Ain't it good? (Ain't it good?)
Being all alone Don't go crying to your mama (run to your mama)
'Cause you're on your own in the real world (don't go crying)
Don't go crying to your mama (to your mama)

'Cause you're on your own in the real world
Don't go crying to your mama
'Cause you're on your own in the real world (this is the real world)
Don't go crying to your mama
'Cause you're on your own in the real world (this is the real world)
Don't go crying to your mama
'Cause you're on your own in the real world
Don't go crying to your mama
'Cause you're on your own in the real world
Don't go crying (don't you go, don't you go crying)
Don't go crying (you're on your own)
Don't go crying (don't go crying to your mama)
Don't go crying
