

# Lonely Ol' Night

[John Mellencamp](#)

She calls me up and says baby it's a lonely ol' night  
I don't know I'm just so scared and lonely all at the same time  
Nobody told us it was gonna work out this way  
No, no, no, no, no  
I guess they knew we'd work it out in our own way It's a lonely ol' night  
Can I put my arms around you  
It's a lonely ol' night  
Custom made for two lonely people like me and you  
Radio playing softly some singer's sad sad song  
He's singing about standing in the shadows of love  
I guess he feels awfully alone  
She says I know exactly what he means  
Yeah, yeah, yeah, yeah, yeah  
And it's a sad, sad, sad, sad feeling  
When you're living on those in-betweens  
But it's okay It's a lonely ol' night  
Can I put my arms around you  
It's a lonely ol' night  
Custom made for two lonely people like me and you She calls me Baby  
She calls everybody Baby  
It's a lonely ol' night but ain't they all  
It's a lonely ol' night  
Can I put my arms around you  
It's a lonely ol' night  
Custom made for two lonely people like me and you It's a lonely ol' night  
Can I put my arms around you  
It's a lonely ol' night  
Custom made for two lonely people like me and you  
Yeah, like me and you  
Yeah, like me and you
