

Silhouette

[Ali Campbell](#)

Silhouette or shadow must be defined
Like my love for you come rain or shine
Took a walk and passed your house late last night
All the shades were pulled and drawn way down tight
From within a dim light cast two silhouettes on the shade
Oh what a lovely couple they made
Silhouette, silhouette, silhouette,
Silhouette, silhouette, silhouette style
Silhouette, silhouette, silhouette, silhouette
Put his arms around your waist held you tight
Kisses I could almost taste in the night
Wondering why I'm not the man whose silhouette's on the shade
I can't hide those tears in my eyes
Silhouette, silhouette, silhouette,
Silhouette, silhouette, silhouette style
Silhouette, silhouette, silhouette, silhouette
It's true, yeah
Lost control and rang your bell I was sore
Let me in or else I'll beat down your door
When two strangers who have been two silhouettes on the shade
Said to my shock you're on the wrong block
Silhouette, silhouette, silhouette,
Silhouette, silhouette, silhouette style
Silhouette, silhouette, silhouette, silhouette
Must come to your house with wings on my feet
Loved you like I'd never love you my sweet
Vowed that you and I would be
Two silhouettes on the shade
All of our days two silhouettes
Silhouette, silhouette, silhouette,
Silhouette, silhouette, silhouette style
Silhouette, silhouette, silhouette, silhouette
Silhouette, me talking me and you girl
Silhouette, you know me start to fret girl
Silhouette, you playing pon my mind girl
Silhouette, I hope that you're still mine girl
Silhouette, no take me for no fool girl
Silhouette, you know you are my world girl
Silhouette, you can't live without you
Silhouette, you know without you I'm blue
Silhouette, no try to make me jealous
Silhouette, I'm not like them other fellas
Silhouette, no try to break my heart girl
Silhouette, it's just better if we part girl
Silhouette, you know I want no other
Silhouette, you're my one and only lover
Silhouette, love is you and me forever
Silhouette, let me make things better
