

# Whatever I Want

## FUTURISTIC

I know they hating on me right now  
If I was you I'd hate me too  
I know they saying I should calm down  
Please, don't tell me what to do  
Cause I do whatever I want  
I do whatever I want, yeah  
I do whatever I want  
I do whatever I want Yo, how I feel to have a boss and everything you ever did, you only did it  
cause they told you to  
I wake up in the morning, I do anything I wanna do, now that's what you supposed to do  
Travel the country, get this money  
Sip this liquor, fuck these bitches  
Everything you ever hoped to do  
I only kick it with a couple niggas  
I ain't fucking with you if you lying cause I know the truth  
Remember whenever you making that money  
Don't ever let that money make you  
Cause your new friends gon' hate too  
Let's watch here with the same crew  
Same dudes, we came through  
Same table, same models  
We used to have to have to buy them but now they bringing the safe bottle  
I'm too faded, I'm too famous, my crew banging, we Wu-Tanging, I'm 2 Chaining, my shoes  
painted, my boo hanging  
Got two thangs that I fuck with  
They boobs fake and they body perfect  
Don't ask me for no pictures, nigga, can't you see that I'm working? I'm doing what the fuck I  
want  
Excuse me if I'm showing off  
I did allow to make it happen  
You can't tell me nothing, bitch, I know it all  
I'm doing what the fuck I want  
A young nigga finally got it popping  
I did allow to make it happen  
Cause I ain't never had no other option  
I been putting in work and I put any first, no one telling me nothing, the flow is disgusting and  
no one can touch it, you minding of me, cause I came out the oven I'm hot  
Let me cool off  
Wipe me down cause I'm on  
These freak hoes, all week minded, but damn I drink strong  
My name all on my chest, yo lady all on my jock  
You knowing what happens next

Her face is all on my lap, my song is all in her car  
Is that the ice-cream man? I got bars, nigga!
