

Let's Explode

Clem Snide

Love is only for the lovely
And such a glamorous thing to waste
Wait, I have to fix my makeup
Wait'Cause no one likes to see a pretty
Face, all sad and twisted up
'Cause the beautiful were never meant to suffer
And I'm so beautifulA peacock died to color my lips
So I dyed my hair in all their sweat
But now I'm haunted by these visions of meAnd I don't wanna live forever
When the sky is full of little holes
Exploding as they take my picture
Let's explode
And I don't wanna know me better
I don't wanna know me better
I don't wanna know me better
I don't wanna know me better
