

# Love Me Now

## John Legend

Pulling me further  
Further than I've been before  
Making me stronger  
Shaking me right to the core, oh  
I don't know what's in the stars  
Never heard it from above, the world isn't ours  
But I know what's in my heart  
If you ain't mine I'll be torn apart I don't know who's gonna kiss you when I'm gone  
So I'm gonna love you now, like it's all I have  
I know it'll kill me when it's over  
I don't wanna think about it, I want you to love me now I don't know who's gonna kiss you when  
I'm gone  
So I'm gonna love you now, like it's all I have  
I know it'll kill me when it's over  
I don't wanna think about it, I want you to love me now  
(Love me now, love me now)  
Oh, oh, love me now, oh, oh, oh, yeah  
(Love me now, love me now)  
Oh, I want you to love me now Something inside us  
Knows there's nothing guaranteed, yeah  
Girl, I don't need you  
To tell me that you'll never leave, no  
When we've done all that we could  
To turn darkness into light, turn evil to good  
Even when we try so hard  
For that perfect kind of love, it could all fall apart And who's gonna kiss you when I'm gone?  
Oh I'm gonna love you now, like it's all I have  
And I know it'll kill me when it's over  
I don't wanna think about it, I want you to love me now  
(Love me now, love me now)  
Oh, love me now, oh, oh, oh  
Love me now  
(Love me now, love me now)  
Love me now Oh I don't know how the years will go down, it's alright  
Let's make the most of every moment tonight I don't know who's gonna kiss you when I'm gone  
So I'm gonna love you now, like it's all I have  
I know it'll kill me when it's over  
I don't wanna think about it, I want you to love me now  
I don't know who's gonna kiss you when I'm gone  
So I'm gonna love you now, like it's all I have  
And I know it'll kill me when it's over  
I don't wanna think about it, I just wanna love you now

(Love me now, love me now)  
Oh, oh, love you now, oh, oh, oh  
(Love me now, love me now)  
Love you now
