Numb

Disturbed

Bleeding I
Crying I
Falling I
Bleeding outBleeding I
Crying I
Falling I
Bleeding outBleeding now I'm
Crying out I'm
Falling down and I'm
Feeling nothing, like
Laughing now I'm
Stopping now I'm
Reaching out and I'm
Feeling Nothing
Yeah, You created a rift within me
Now there have been several complications
That have left me feeling nothing
I might say
You were wrong to take it from me
Left me feeling nothingCrawling now I'm
Beaten down I'm
Tortured now and I'm
Feeling nothing like
Hunting now I'm
Stalking now I'm
Reaching out and I'm
Killing nothing
Yeah, You created a rift within me
Now there have been several complications
That have left me feeling nothing
I might say
You were wrong to take it from me
Left me feeling nothingI can feel ya ripping and tearing and feeding and growing inside of me
Ripping and tearing and feeding and growing inside of meI want this
More than you know
I need this
Give it back to meYou created a rift within me
You won because of these horrid complications that are
Ripping and tearing and feeding and growing inside of meYeah you've created a rift with in me
Now there have been several complications that are
Ripping
Tearing

Feeding
Growing
Ripping
Tearing
Ripping and tearing and feeding and growing inside of meI want this more than you now
I need this
Give it back to me
