

King of Hearts

Cassie

You are the prince of charm
Seduction is your art
You'll never play my love
You're just my king of hearts
You are my king of hearts
If you're winning
You might as well admit it
And you can come and get it
Or you can just forget it, forget it
If you're winning
You might as well admit it
And you can come and get it
Or you can just forget it, forget it
You are the prince of charm
Seduction is your art
You'll never play my love
You're just my king of hearts
You are my king of hearts
You are the prince of charm
Seduction is your art
You'll never play my love
You're just my king of hearts
You are my king of hearts
Hear what you saying
Baby, why you gaming? It's obvious you playing
But you can just keep blaming, keep blaming
Keep playing, baby why you playing?
It's obvious you gaming
But you can just keep blaming, keep blaming
You are the prince of charm
Seduction is your art
You'll never play my love
You're just my king of hearts
You are my king of hearts
You are the prince of charm
Seduction is your art
You'll never play my love
You're just my king of hearts
You are my king of hearts
And we go, and we go go go go go go go
And we go, and we go go go go go go go
King of hearts, King of hearts, King of hearts, King of hearts

You are the prince of charm
Seduction is your art
You'll never play my love
You're just my king of hearts
You are my king of hearts
And we go, and we go go go go go
And we go, and we go go go go go
