

I'm Ready

Bobby Brackins

I knew from the stars she was ready
baby cuz the stars, she's so ready
make her love me cuz i'm hot right now
we can just leave don't stop right now
if you say, i'm ready, i'm i'm ready ready yeah
i'm ready, i'm i'm ready ready yeah
i'm ready, i'm i'm ready ready
baby come and get me if you're ready to gooo1st :
She's makin me heavy
she wants to rock steady
prolly gon' be it like the shawn cuzly chevy
i'm raw like the remi
at the party like confetti
girl on your split sec get ready
we can get it on you ain't gotta stay girl
we can get gone head to the club while drivin
I likke to get head to the club bring a bed to the club so we can make love in the club
pop bubs in the club never been paid
this a club banger thats radio ready
and I can rock yu girl go hard if you let me
don't waste no time my boo thing ready
I knew from the stars she was ready
baby cuz the stars, she's so ready
make her love me cuz i'm hot right now
we can just leave don't stop right now
if you say, i'm ready, i'm i'm ready ready yeah
i'm ready, i'm i'm ready ready yeah
i'm ready, i'm i'm ready ready
baby come and get me if you're ready to gooo2nd she ready to go looking like she really wants
the big deal
universal girl I signed the big deal
we riding, riding on big wheels
we rolling spinning like them windmills
so if I put it on ya, prepare, get ready
we can hit the telly text 143 to my celly
I date hot ones, my girl's got hot buns
and when it comes to tricks we got tongues
get paper like refunds getting paper til the trees done
i'm seeing V like a rerun, ch ch ch choosing
I know you ready I don't know who you fooling
I knew from the stars she was ready
baby cuz the stars, she's so ready

make her love me cuz i'm hot right now
we can just leave don't stop right now
if you say, i'm ready, i'm i'm ready ready yeah
i'm ready, i'm i'm ready ready yeah
i'm ready, i'm i'm ready ready
baby come and get me if you're ready to gooo3rd come turn me on, lets get it on, you turn me
on sweet baby
come come along, oh come along sexy you're driving me crazy
I know that you're ready, i'll love you girl if you let me
sexy, man rock it steady ohh girl you look so readyI knew from the stars she was ready
baby cuz the stars, she's so ready
make her love me cuz i'm hot right now
we can just leave don't stop right now
if you say, i'm ready, i'm i'm ready ready yeah
i'm ready, i'm i'm ready ready yeah
i'm ready, i'm i'm ready ready
baby come and get me if you're ready to gooo
