

Run It!

Chris Brown

Let me talk to you
Tell you how it is
I was thinking when I saw that body gotta get shawty
Tell her what the young boy gonna do
Damn them chicks wit you gotta be your kin
Babe pretty thick wit the kick that's sick that need to be hit
So tell me what ya'll gonna do I got friends, and you got friends
They hop out, and you hop in
I look fly, and they jocking
The way you drop, drop makes me wanna pop Is ya man on the floor?
If he ain't...
Let me know
Let me see if you can run it, run it
girl indeed I can run it, run it You'll see
Girl I can set you off
Don't believe my age is gonna slow us down
I can definitely show you things
To have you saying I can't be 16
Once I get in you won't wanna go
(and I...)
I'll have yo girls wishing they were you (and I...) I know you heard about me, but guess what's
going down if we leave
Girl you feel right
(Feel right) Make me feel like...
(feel like...)
I wanna do a little something (do a little something)
Ain't no thing let you do it for sure Girl the way that your wearing them jeans is turning me on
I'm the hottest thing thats in these streets so baby won't you rock me...
Make it drop honey...
Make it pop honey...
Whip, whop.
Tick, tock to the clock for me
don't stop doing that
and shawty know I mean what I say so she won't stop doing that
Plus I heard if you can dance you can fuck
Well dance, time is up, let's go, let's go (yup) we can get it in...
we can gets some friends
do it like the ying yang twins and start
wait 'til you see my...
wait 'til you see my...
let me fall back You ain't ready for all that
have you sleep late

real late
yeah taking a long nap
you tell your friends...
to get wit my friends
we can be friends
switch and meet friends (switch)
we can do it all night long, and...
'til the clock hit morning ya dig
oh, oh, oh, ooh
