

I Want U

Alison Wonderland

I know you've seen it,
Don't try to beat it
I want the pressure off
But it continues
Until I kiss you
So let's just take it off
We've waited all night
So good, till sunlight
Can you just take my hand
It's been a sweet while, you know you must stay
Just tell me where you stand I want you
I-I-I Want you
You know I like you
I give it to you
Would u just say it's on?
Why did you come here?
If you don't want to
The feeling is just so strong
Just give me one look,
To give me some hope
I wish, I wasn't in love
Could you just stay here and let the time pass
I'll write it in a song I want you
I-I-I Want you
I just Want you
I just Want you
I just Want you
I just Want you
Just give me one look
Just give me one look
Just give me one look
Just give me one look
Just give me one look
Just give me one look
Just give me one look
Just give me one look
Just give me one look
Just give me one look
I Want you I just Want you
I just Want you
I just Want you
I just Want you I-I-I Want you
