

Wave

Frank Sinatra & Antônio Carlos Jobim

Writer(s): Antonio Carlos Jobim

So close your eyes

For that's a lovely way to be

Aware of things your heart alone was meant to see

The fundamental loneliness goes whenever two can dream a dream together
You can't deny
don't try to fight the rising sea

Don't fight the moon, the stars above and don't fight me

The fundamental loneliness goes whenever two can dream a dream together
When I saw you
first the time was halfpast three

When your eyes met mine it was eternity
By now we know the wave is on its way to be

Just catch that wave don't be afraid of loving me

The fundamental loneliness goes whenever two can dream a dream together
When I saw you
first the time was halfpast three

When your eyes met mine it was eternity

By now we know the wave is on its way to be

Just catch that wave don't be afraid of loving me

The fundamental loneliness goes whenever two can dream a dream together
