

I Got a Line On You

Blackfoot

Yeah.

Oh yeah, come on. Now, let me take you babe, down to the river bed

Well, I got to tell you something

That'll go right through your head I got a line on you babe

(I got a line on you babe)

Yeah, I got a line on you

(I got a line on you babe)

Come on. Now, put your arms around me, every little bit of your love

Oh, you know what to do, I'll make love to you

You got the right stuff, and I do too

I got a line on you babe

(I got a line on you babe)

Yeah, I got a line on you

(I got a line on you babe)

Yeah! Got my eye on you babe, on your velvet skin

I wanna put my hands where they've never been

Get real hot in the midnight steam

Soaking in the rain of my favorite dream

Your lips are red, the moon is blue

I only ask you once what you want to do

Gonna touch you babe 'til the night is through

Look out honey, got a line on you Oh yeah. Oh, now the winter's almost over,

The summer she's coming on strong.

Oh I could love you, love you, love you, love you all year long

I got a line on you babe

(I got a line on you babe)

Yeah, I got a line on you

(I got a line on you babe) Ah yeah!

I got a line on you babe

(I got a line on you babe)

Yeah, I got a line on you Yeah, yeah, yeah!

I got a line on you babe

(I got a line on you babe)

I got a line on you

I got a line on you babe.
