

# I'm Only Me When I'm With You

Taylor Swift

Friday night beneath the stars in a field behind your yard  
You & I are painting pictures in the sky  
And sometimes we don't say a thing  
Just listen to the crickets sing  
Everything I need is right here by my side And I know everything about you  
I don't wanna live without you I'm only up when you're not down  
Don't wanna fly if you're still on the ground  
It's like no matter what I do  
Well, you drive me crazy half the time  
The other half I'm only trying to let you know that what I feel is true  
And I'm only me when I'm with you  
Just a small town boy & girl, living in a crazy world  
Trying to figure out what is & isn't true  
And I don't try to hide my tears, my secrets, or my deepest fears  
Through it all nobody gets me like you do And you know everything about me  
You say that you can't live without me I'm only up when you're not down  
Don't wanna fly if you're still on the ground  
It's like no matter what I do  
Well, you drive me crazy half the time  
The other half I'm only trying to let you know that what I feel is true  
And I'm only me when I'm with you  
...  
When I'm with anybody else  
it's so hard to be myself  
And only you can tell  
That I'm only up when you're not down  
Don't wanna fly if you're still on the ground  
It's like no matter what I do  
Well, you drive me crazy half the time  
The other half I'm only trying to let you know that what I feel is true  
And I'm only me, who I wanna be  
Well, I'm only me when I'm with you  
With you, oh yeah
