

Get High

Big Tymers

Yeah, yeah, yeah, ohhhhh
Nah just kidding, ha... ha... ha
Ay! ay ay ay!
Welcome to the side of the world where we just do
What the fuck we want to
And smoke how we wanna smoke
And fly
Up above the sky
Fly with me as I go around the world
Boys and girls, here it is
(Chorus)
Well I'ma smoke (I'm gon' smoke)
Until I choke (until I choke)
And I'ma drank (I'ma shole drank)
Until I can't (until I can't) See I'ma smoke (yes I'ma smoke)
Until I choke (until I choke)
And I'ma dra-a-ank (I'ma drank)
Until I can't (until I can't) oh oh
Oh ye-heah

Smokin hydro-phonic and I'm high as a kite
Sippin on some crissy on a Saturday night
Mind on my money and my money on my mind and i got
Freaks at the teley ready to, do a nigga all day all night
Drinkin on a bottle of that seriousness
Tell that bitch that you wit to mind her bizz-a-ness
Cause she'll be under the spreads
