

1901

Birdy

Counting all different ideas drifting away
Past and present they don't matter
Now the future's sorted out
Watch her moving in elliptical patterns
Think it's not what you say
What you say is way too complicated
For a minute though I couldn't tell how to fall out
It's twenty seconds till the last call
Calling hey hey hey hey hey hey
Lie down you know it's easy
Like we did it all summer long
And I'll be anything you ask and more
Going hey hey hey hey hey hey
It's not a miracle we needed
No I wouldn't let you think so
Fold it, fold it, fold it, fold it
Fold it, fold it, fold it, fold it
Girlfriend, oh your girlfriend is drifting away
Past and present 1855 -1901
Watch them build up a material tower
Think it's not gonna stay
Anyway I think it's overrated
For a minute thought I couldn't tell how to fall out
It's twenty seconds till the last call
Calling hey hey hey hey hey hey
Lie down you know it's easy
Like we did it all summer long
And I'll be anything you ask and more
Going hey hey hey hey hey hey
It's not a miracle we needed
No I wouldn't let you think so
Fold it, fold it, fold it, fold it
Fold it, fold it, fold it, fold it
Fold it, fold it, fold it, fold it
Fold it, fold it, fold it, fold it
Fold it, fold it, fold it, fold it
Fold it, fold it, fold it, fold it
