

Stole the Show (feat. Parson James)

Kygo

Darlin', darlin'
Oh, turn the lights back on now
Watchin', watchin'
As the credits all roll down
Cryin', cryin'
You know we're playing to a full house, house
No heroes villains want to blame
While wilted roses fill the stage
And the thrill, the thrill is gone.
Our debut was a masterpiece
But in the end for you and me
Oh, the show, it can't go on.
We used to have it all
But now's our curtain call
So hold for the applause (woah woah oh oh)
And wave out to the crowd
And take our final bow
Oh, it's our time to go
But at least we stole the show
Least we stole the show
Least we stole the show
Least we stole the show
Least we stole the show
Least we stole the show
Darlin', darlin'
You know that we are sold out
This is fading
But the band plays on now
We're crying, crying
So let the velvet roll down, down.
No heroes villains want to blame
While wilted roses fill the stage
And the thrill, the thrill is gone.
Our debut was a masterpiece
Our lines we read so perfectly
But the show, it can't go on.
We used to have it all
But now's our curtain call
So hold for the applause (woah woah oh oh)
And wave out to the crowd
And take our final bow
Oh, it's our time to go
But at least we stole the show
Least we stole the show
Least we stole the show
Least we stole the show
Stole the show

Least we stole the show
Stole the show
Least we stole the show
