

Starts With One

Shiny Toy Guns

Starts with one
I can't feel
It's all in your mind anyway I can't heal
Make me feel this way Oh Now there's two I can't see
(I can't see)
I've never felt this way I can't feel, anything anyway
(I can't feel) Let's show them the only way
Let's show them our hearts
Only three I can't seem
(I can't seem)
To get enough anyway
I can't speak
(I can't speak)
Nothing to say anyway Let's show them the only way
Let's show them our hearts
Let's show them the only way
Let's sew up their hearts Distorted light moves in
Or am I mistaken? It feels so, feels so
Feels so cold...
It feels so, feels so
Feels so cold...
There goes today
It slowly fades, slowly fades away Here comes today
Never go, never go away
