

# Starts With One

## Shiny Toy Guns

Starts with one  
I can't feel  
It's all in your mind anyway I can't heal  
Make me feel this way Oh Now there's two I can't see  
(I can't see)  
I've never felt this way I can't feel, anything anyway  
(I can't feel) Let's show them the only way  
Let's show them our hearts  
Only three I can't seem  
(I can't seem)  
To get enough anyway  
I can't speak  
(I can't speak)  
Nothing to say anyway Let's show them the only way  
Let's show them our hearts  
Let's show them the only way  
Let's sew up their hearts Distorted light moves in  
Or am I mistaken? It feels so, feels so  
Feels so cold...  
It feels so, feels so  
Feels so cold...  
There goes today  
It slowly fades, slowly fades away Here comes today  
Never go, never go away
