## Lady Gaga

My name isn't Alice  
But I'll keep looking, I'll keep looking for Wonderland  
My name isn't Alice  
But I'll keep looking, I'll keep looking for Wonderland, Wonderland Ah-ah-ah-oh, ah-ah-ah  
Set me free  
Ah-ah-ah-oh, ah-ah-ah  
Set me free Could you pull me out of this alive?  
Ah-ah-ah-oh, ah-ah-ah  
Where's my body? I'm stuck in my mind  
Ah-ah-ah-oh, ah-ah-ah  
Oh ma-ma-ma, oh ma-ma-ma  
I'm tired of screaming  
Oh ma-ma-ma, oh ma-ma-ma  
At the top of my lungs  
Oh my mother, oh my mother  
I'm in the hole, I'm falling down, down, so down, down My name isn't Alice  
But I'll keep looking, I'll keep looking for Wonderland  
My name isn't Alice  
But I'll keep looking, I'll keep looking for Wonderland, Wonderland Take me home  
Take me to Wonderland, Wonderland  
Take me home  
Take me to Wonderland, Wonderland  
Sick and tired of waking up  
Screaming at the top of my lungs  
Think I might have just left myself behind  
Maestro, play me your symphony  
I will listen to anything  
Take me on a trip, DJ, free my mind My name isn't Alice  
But I'll keep looking, I'll keep looking for Wonderland  
My name isn't Alice  
But I'll keep looking, I'll keep looking for Wonderland, Wonderland Take me home  
Take me to Wonderland, Wonderland  
Take me home  
Take me to Wonderland, Wonderland Take me home  
Take me to Wonderland, Wonderland  
Take me home  
Take me to Wonderland, Wonderland Ah-ah-ah-oh, ah-ah-ah  
Set me free  
Ah-ah-ah-oh, ah-ah-ah-oh  
Set me free
