Samantha Jade
Mr Worldwide
Shake That
We're gonna take it
From Miami to Australia Shake That
That's Right
Samantha J:
Tell me what you've been drinking
I can tell what you're thinking
That i'll be yours for the weekend
Honey
I gotta do it my way so
Don't rush, don't rush
Just lay low
But be ready
When i say go
If you just want one hit
I guarantee you'll miss
Because my heart and this
They go together
If all you want is fun
Then after that you're done I'd rather wait for someone
Who loves me better
Oh, ohh
Don't talk to me (Ooh)
Prove to me (Ooh)
You won't only be
One foot in, One foot out
Gotta step up
If you wanna get down
Shake that (Ohhhh)
Shake that (Ohhhh)
One foot in, One foot out
Better man up
If you wanna get down Shake that (Ohhhh)
Shake that (Ohhhh)
(Woa, Wo)
I'm all about my business
Make 'em work, Make 'em work
With the quickness
Girls, can i get a witness?
Honey

I ain't sayin' i'm perfect But i know i'm deservin'
And I'm gonna be worth it, Yeah
If you just want one hit
I guarantee you'll miss
Because my heart and this
They go together
If all you want is fun
Then after that you're done I'd rather wait for someone
Who loves me better
Oh, ohh
Don't talk to me (Ooh) Prove to me (Ooh)
You won't only be
One foot in, One foot out
Gotta step up
If you wanna get down
Shake that (Ohhhh)
Shake that (Ohhhh)
One foot in, One foot out
Better man up
If you wanna get down Shake that (Ohhhh)
Shake that (Ohhhh)
(Woo, ow)
(Wanna get)(Wanna-w-wanna get down-down)
(W-wanna get down)
Shake that
I wanna see you in your birthday
Take that
Mami, show me where your sweet little cake at
I wanna take a little nibble or maybe
A full bite
And make a full night
I roll dice and gamble
Too hot to Handle
Me, I'm all ears unlike
Vincept Van Gough
So tell me what you want
Tell me what you need
Tell me what you like
And i'll do it, do it right
Me, I mind my business
No I'm not the mob
But your boy, I got a hit list
My life's my trial
Jehovah's my witness
Rewind it a couple of times
And maybe you'll get this
You need a man on your life
Them boys that you're playin' with
Ain't doin't you right

Two times, say it twice
Need a man in your life
Them boys that you're playin' with Ain't doin't you righ
Samantha Jade, talk to 'em
Samantha J:
Ohhhh, Hey!
One foot in, One foot out
Gotta step up
If you wanna get down
Shake that (Ohhhh)
Shake that (Ohhhh)
One foot in, One foot out
Better man up
If you wanna get down
Shake that (Ohhhh)
Shake that (Ohhhh)
One foot in, One foot out
Gotta step up
If you wanna get down
Shake that (Ohhhh)
Shake that (Ohhhh)
One foot in, One foot out
Better man up
If you wanna get down
Shake that (Ohhhh)
Shake that (Ohhhh)
Shake That!!
