

# Hold You Down (feat. Jennifer Lopez)

Fat Joe

Now you've been holding me down  
For such a long time now  
From back then to now in my story  
Straight from the hood  
You've always been there for me And ya had my back  
(When they)  
Back when everybody said, I wasn't anything  
It was you who had me holdin' on  
No matter what was goin' on  
So no whatever ya need, I got you Reminiscing that 6 train from way back  
Now it's sky blue Phantoms and stretch Maybacks  
Sweepin' them floors in them Bronx apartments  
Mira esta que on that red carpet  
With Pun died, you was the first to call me  
I never told you but you was there for me  
Whatever you need, I'll be there for you  
Crack, I got ya back for real  
(True story) Now my loyalty, will always be  
With you, if you just promise me  
That you'll stay real just like you are  
'Cause baby you don't have to change, no You don't know how much you mean to me  
Whenever you're down  
You know that you can lean on me  
No matter the situation, boy, I'm gon' hold you down You don't know how much you mean to me  
Whenever you down  
You know that you can lean on me  
No matter the situation, girl, I'm gon' hold you down  
2005 Rakim and Jody Watley  
Why'd she paint such a picture so perfect? Quite possibly  
The real expression from BX to South Beach  
I'ma always hold you down, girl you can count on me So remember this whenever I call  
We go back too far, we've been through it all  
Even though we haven't spoke in so long  
Ain't nothing has changed, not a damn thing, baby Now my loyalty, will always be  
With you, if you just promise me  
That you'll stay real just like you are  
'Cause baby you don't have to change because You don't know how much you mean to me  
Whenever you down  
You know that you can lean on me  
No matter the situation, boy, I'm gon' hold you down You don't know how much you mean to me  
Whenever you down  
You know that you can lean on me

No matter the situation, girl, I'm gon' hold you down  
Like green, it's the autumns  
Things will stay  
This industry, yeah, I fought  
Made me this way  
Get between me and J.Lo.  
I simply stay  
You better off sweepin' leaves  
On a windy day  
(No) So I don't care about the situation  
I'ma ride for you if there's a complication  
Every time you had my back and all  
When we were young  
Now you Joe, we crackin' off  
Now my loyalty, will always be  
With you, if you just promise me  
That you'll stay real just like you are  
'Cause baby you don't have to change because  
You don't know how much you mean to me  
Whenever you down  
You know that you can lean on me  
No matter the situation, boy, I'm gon' hold you down  
You don't know how much you mean to me  
Whenever you down  
You know that you can lean on me  
No matter the situation, girl, I'm gon' hold you down  
You don't know how much you mean to me  
Whenever you down  
You know that you can lean on me  
No matter the situation, I'm gon' hold you down  
You don't know how much you mean to me  
Whenever you down  
You know that you can lean on me  
No matter the situation, I'm gon' hold you down
