

It's No Good

Chevelle

I'm gonna take my time.
I have all the time in the world
to make you mine.
It is written in the stars above,
by God's decree.
You'll be right here by my side.
Right next to me,
You can run but you cannot hide.
Don't say you want me.
Don't say you need me.
Don't say you love me.
It's understood.
Don't say you're happy,
out there without me.
I know you can't be,
'cause it's no good.I'll be fine.
I'll be waiting patiently,
'till you see the signs
and come running to my open arms.
Will you realize?
Do we have to wait till our worlds collide?
Open up your eyes.
You carry back the time.
Don't say you want me.
Don't say you need me.
Don't say you love me,
It's understood.
Don't say you're happy,
happy without me.
I know you can't be,
'cause it's no good.It's noooo (5x)Noooooooooooo!
