

Lie Lie Lie

Serj Tankian

Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie My baby, my baby
Let me know
because you love me, you love me
Let me go
And you're my lover, you pay me
Twice my size
And on your knees you lay
In my thighs Take my hand and let's end it all
She broke her little bones
On the boulders below
Take my hand and let's end it all
My baby, my baby
Let me go
And if you love me, you love me
Let me go
Cause I'm your brother, your brother
Have some pride
And now you love me, you love me
Then die tonight Take my hand and let's end it all
She broke her little bones
On the boulders below
Take my hand and let's end it all
Broke her little bones
On the boulders below
And while she fell I delightfully said
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie She took my hand and I let her go
She broke her little bones
On the boulders below
Took my hand and she ended it all
Broke her little bones on the boulders below
And while she fell, I smiled.
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
Lalalalalalalala lie lie lie
