## Zac Brown Band

so we live out in our old van  
Travel all across this land  
Me and you  
and We'll end up hand in hand Somewhere down on the sand  
just Me and you  
Just as free Free as we'll ever be  
Just as free  
Free as we'll ever be  
Drive until the city lights Dissolve into a country sky  
just Me and you  
Lay underneath the  
harvest moon  
Do all the things  
that lovers do  
Just me and you  
Just as free Free as we'll ever be  
Just as free  
Free as we'll ever be  
And ever be  
we were born before the wind all so younger than the sun  
and the bonny boat was won  
as we sail into the misty  
hark now hear the sailors cry  
you smell the sea and you feel the sky  
let your soul and spirit fly  
into the misty  
when a fog horn blows  
ill be coming home  
yea when a fog horn blows  
I wanna feel it  
don't have to fear it at night  
I want to rock your gypsy soul  
just like way back in the days of old  
and together we will flow into the misty  
No we don't have a lot of money  
No we don't have a  
lot of money  
No we don't have a  
lot of money  
No we don't have a  
lot of money  
No we don't have a

lot of money  
No we don't have a  
lot of money  
No we don't have a  
lot of money  
All we need is love  
we're Free as we'll ever be  
Just as free  
Free as we'll ever be  
So we live in our old van  
Travel all across this land  
Me and you
