

Graveyard

Feist

The graveyard
the graveyard
all full of light
the only age
the beating heart
is empty of life
dirt and grass
a shadow heart
the moon sails past
blood as ice is
and empty crises
lonely lies
whoa-ah-ah ah-oh-ah
bring 'em on back to life
whoa-ah-ah ah-oh-ah
bring 'em on back to life
whoa-ah-ah ah-oh-ah
bring 'em on back to life
whoa-ah-ah ah-oh-ah
bring 'em on back to life
Roots and lies
roots and lies
our family tree is old
from there we climb
the golden hill
calmly will
eternity
i held your heart
a giant wand
all tell of sorrow
and history
begins to be
blue and brown eyes
Whoa-ah-ah ah-oh-ah
bring 'em on back to life
whoa-ah-ah ah-oh-ah
bring 'em on back to life
whoa-ah-ah ah-oh-ah
bring 'em on back to life
whoa-ah-ah ah-oh-ah
bring 'em on back to life
Oh-ah-ah ah-oh-ah
bring 'em on back to life

oh-ah-ah ah-oh-ah
bring 'em on back to life
oh-ah-ah ah-oh-ah
bring 'em on back to life
oh-ah-ah ah-oh-ah
bring 'em on back to life
