

# Only Sixteen

[Dr. Hook](#)

She was only sixteen, only sixteen  
But I loved her so  
But she was too young to fall in love  
And I was too young to know We'd laugh and we'd sing, and do funny things  
And it made our hearts glow  
But she was too young to fall in love  
And I was too young to know So why did I give my heart so fast, it never will happen again  
But I was a mere child of sixteen, I've aged a year since then  
She was only sixteen, only sixteen  
Oooh with eyes that would glow  
But she was too young to fall in love  
And I was too young to know So why did I give my heart so fast, it never will happen again  
But I was a mere child of sixteen, I've aged a year since then  
Now she was only sixteen, only sixteen  
Oooh but I loved that girl so  
But she was too young to fall in love  
And I was too young to know Yes she was too young to fall in love  
And I, I was too young, I was much too young to know
