

Teardrops On My Guitar (Pop Version)

Taylor Swift

Drew looks at me
I fake a smile so he won't see
What I want and I need
And everything that we should be I'll bet she's beautiful
That girl he talks about
And she's got everything
That I have to live without Drew talks to me
I laugh 'cause it's damn funny
But I can't even see
Anyone when he's with me He says he's so in love
He's finally got it right
I wonder if he knows
He's all I think about at night
He's the reason for the teardrops on my guitar
The only thing that keeps me wishing on a wishing star
He's the song in the car I keep singing
Don't know why I do Drew walks by me
Can he tell that I can't breathe?
And there he goes, so perfectly
The kind of flawless I wish I could be She better hold him tight
Give him all her love
Look in those beautiful eyes
And know she's lucky 'cause He's the reason for the teardrops on my guitar
The only thing that keeps me wishing on a wishing star
He's the song in the car I keep singing
Don't know why I do
So I drive home alone
As I turn out the light
I'll put his picture down
And maybe get some sleep tonight
'Cuz he's the reason for the teardrops on my guitar
The only one who's got enough of me to break my heart
He's the song in the car I keep singing
Don't know why I do
He's the time taken up but there's never enough
And he's all that I need to fall into
Drew looks at me
I fake a smile so he won't see
