

I Don't Care

Cheryl

Waking up diagonal like an animal in a cold and empty bed, yeah
Shaking off that dream of you, I got sh*t to do and I'm ready to forget, oh yeah
I heard you brought that girl around in half a gown and asked if I'd been there, oh yeah

Ask me how I'm doing now

I scream out loud,

I tell him I don't care

And I don't care I don't care

And it feels so f*cking good to say I swear

That I don't care

And every word

There are ordinary hearts that don't play fair

But I don't care

I don't care

I don't care

Oh no

I don't care

Oh

I don't care

Oh no In this town what gets around

But don't bring me down, it's just static in my head, yeah

So take me out and turn it up

Well let's make it rough

We're gonna wake the dead, oh baby

Everyone is saying now, just slow it down

Or I'll get hurt again, oh yeah

When these things are feeling me, it's healing me

And I'm screaming I don't care

And I don't care

I don't care

And it feels so f*cking good to say I swear

That I don't care

And every word

There are ordinary hearts so don't play fair

But I don't care I don't care

I don't care

Oh no

I don't care

Oh

I don't care

Oh no There's an arrow in your way

Doesn't matter anyway, oh oh

I can see the milky way and it seems so far away, oh

Doesn't matter anyway
It's all falling into place
Just ignore the pretty face
Disappears without a trace
There ain't nothing left to say I don't care
Feels so good
Oh, I don't care, oh
I don't care I don't care
And it feels so f*cking good to say I swear
That I don't care
And every word
There are ordinary hearts so don't play fair
But I don't care I don't care
I don't care
Oh no
I don't care
Oh
I don't care
Oh no
