Feelin'

[Van Halen](#)

Outta touch most of the time
Gotta lotta things on my mind
Kickin' down, where to start
It's the hardest thing
Oh...Grow it long, shave it off
Life is hard, never soft
I need a change, I need it quick
Before it makes me sick
That's what on my mind
Pay attention, watch your back
Pay your dues, stay on track
Got no room to second-guess
Puts me under stress
Oh...
If I were you, you were me
I wonder who I'd wanna be
With just one wish you can't refuse
I wouldn't know what to chooseFeelin'...no, don't like what I've been told I'm feelin'
Feelin' what no one else will ever know I'm feelin'
Oh...Now black is white and white is black
Got politicians smokin' crack
And john paul's all bullet-proofedIt puts me through the roof
Yea...
I were you and you were me
I wonder who I'd rather be
If I had one wish I'd take itFeelin'...oh, I don't like what I've been told I'm feelin'
And I'm seein'
What no one else will ever know I'm seein'
Come on, feelin'
Hey, I don't understand these things I'm feelin'
No...Outta touch most all the time
Too many things on my mind
Shuttin' down, gotta stop this thingFeelin'...no, I don't like what I've been told I'm feelin'
I'm bleeding... like no one else will ever know I'm bleeding
Dealin'...i'm dealin' with these things I'm feelin'
I'm dreamin', I'm dreaming, I'm dreaming things that show
Me what I'm seein'
Seein'...i'm seein' things that I don't know I'm feelin'
I've been feelin', I'm feelin', I'm feelin' things that i
Don't know
I don't know, I don't know what I'm feelin'
Hey, I don't understand
