Dorrough Music

Six 3 that nigga that they admire
Six 3 that nigga yo bitch desire
I dont do big rims no more I'm tired
I ran thru a hunnit Pirelli tires
Killin shit nigga I'm Michael Myers
My fans really love me I Gettem wired
Congrats to my new bitches yall r hired
To all of my old bitches yall are fired
& This is like Kanye West through the wire
I Mix this shit up like its jambalaya
I splash everyday I need new atire
My weed get dropped off by an Uber driver
I get high alot im a frequent flyer
Smoking this shit I call yoga fire
Everything I spit is fuckin fire
If u disagree u a fuckin liar
If u disagree I don't give a damn
My only real issue is Uncle Sam
I'm lit up I can't put the boodah down
Smoking tree off in Hollywood hookah lounge
Smoking tree should be legalized everywhere
It's the closest thing we got to heaven Air
7 hoes In the room I make 7 stare
Tell the club have my table I'm headed there
At 22 I was a millionaire
I really wish I was a billionaire
Bun B say I'm trill ima trillionaire
They been sleeping on me fuckin grizzly bear
They been sleeping on me time to wake em up with no alarm I just grab em and Shake em up
I pullup and valet for 80 bucks
Tell the police stop chasing and Hating us
I get Capitol
Not a scavenger
Ima rapper that's real good at algebra
Ima rapper that's real good at calculus
Play with my money and I will come after Ya
They say I been gone that was temporary
I will be remembered as legendary
Just watch how I re-up in January
High as fuck I been blowing on Mary Mary
Smoking this weed got me Japanese
Smoking this weed got me Japanese

Smoking this weed got me Japanese
Smoking this weed got me Japanese
Toking and Choking this shit is fire
Toking and Choking this shit is fire
Toking and Choking this shit is fireToking and Choking this shit is fireSmoking this weed got
me Japanese

Smoking this weed got me Japanese
Smoking this weed got me Japanese
Smoking this weed got me Japanese
Toking and Choking this shit is fireToking and Choking this shit is fireToking and Choking this
shit is fire

Toking and Choking this shit is fire
Smoking this weed got me Japanese
If I cannot smoke then I have to leave
Got all of this jewelry I'm bout to Freeze
The Police be thinking I'm Trappin keys
Them Jordans just drop I want 2 of these
On 2nd thought I need a few of these
Yes I am the flyest I do believe
I'm Sick on the mic this a new disease
I'm tryna get money in everyway
I like doing shows cause it's steady pay
This Rapping I do this shit everyday
I Got rich off song bout a Chevrolet
The Modern day Penny Tim Hardaway
I think I might buy me a car today
I think I might po up Chardonnay
And plan me a vacation far way
I plan to one day win me a Grammy
Then move to the richest part of Miami
Cause I got the juice do u understand me
I make these bitches come out they panties
I make these bitches give up the pussy
I been on this shit I am not a rookie
All cross the world they be tryna book me
Been watching empire I need a cookie
It's us gainst the world fuck whoever oppose
Str8 out the Texas I been on the road

Six 3 that nigga I'm bout to explodeI got on some shoes they ain't seen what are those
Today was a good day I'm bout to get blowedI got me some good weed thats ready rolled
If u a true smoker then anything goes
Backwoods and papers & CigarillosSmoking this weed got me JapaneseSmoking this weed got
me Japanese

Smoking this weed got me Japanese
Smoking this weed got me JapaneseToking and Choking this shit is fire
Toking and Choking this shit is fire
Toking and Choking this shit is fire
Toking and Choking this shit is fireSmoking this weed got me Japanese
Smoking this weed got me Japanese

Smoking this weed got me Japanese
Smoking this weed got me Japanese
Toking and Choking this shit is fire
