Girls/Girls/Boys

Panic! At the Disco

I don't wanna hear you've got a boyfriend Sometimes you're better off alone

But if you change your mind, you know where I am

Yeah, if you change your mind, you know where to find me

'Cause I don't ever wanna be your boyfriendAnd never did I think that I

Would be caught in the way you got me

Push another girl aside and just give in Girls love girls and boys (sophisticated, manipulated)

Girls love girls and boys (sophisticated, manipulated)

And never did I think that I

Would be caught in the way you got me

But girls love girls and boys

And love is not a choice

Pose, you've gotta save your reputation

They're close to finding out about your girlfriend

But if you change your mind, you know where I am

Yeah, if you change your mind, you know where to find me

'Cause I don't wanna save your reputationAnd never did I think that I

Would be caught in the way you got me

Push another girl aside and just give in Girls love girls and boys (sophisticated, manipulated)

Girls love girls and boys (sophisticated, manipulated)

And never did I think that I

Would be caught in the way you got me

But girls love girls and boys

And love is not a choiceI am just a villain vying for attention from a girl

A girl who can't decide and here's the reason why

Girls love girls and boys (sophisticated, manipulated)

Girls love girls and boys (sophisticated, manipulated)

Girls love girls and boys (sophisticated, manipulated)

Girls love girls and boys (sophisticated, manipulated)And never did I think that I

Would be caught in the way you got me

But girls love girls and boys

And love is not a choice
