

# **Before I Go**

**Guy Sebastian**

[Verse 1]

Just one more thing before I go  
Before I let you take control  
You go riding out [?]  
And if you ever get too close  
You know my name before I go They love me then they love you now  
But don't forget there's one more round  
Oh, the pain, I know it well  
But it hasn't kept me down  
You think you got me figured out

[Chorus]

You thought you had me  
You thought that I was dumb but  
I'm stronger up against the ropes  
I am a fighter, before this fight is over  
You know my name before I go  
You know my name before I go [Verse 2]

Just one more thing before I go  
Before the final curtains close  
There's no telling what comes next  
These tires [?] will show  
You know my name before you go  
Just one more thing before the end  
No, time has never been a friend  
To the dreamer, to the lover  
To the one who needs to win  
Watch out 'cause here it comes  
I say when I am done

[Chorus]

You thought you had me  
You thought that I was dumb but  
I'm stronger up against the ropes  
I am a fighter, before this fight is over  
You know my name before I go  
You know my name before I go [Bridge]  
Just one more thing before I go [Chorus]

You thought you had me  
You thought that I was dumb but  
I'm stronger up against the ropes  
I am a fighter, before this fight is over  
You know my name before I go  
You know my name before I go
