

Retrospect For Life (feat. Lauryn Hill)

Common

Featuring laurn hill Yo we gotta start respectin life more y'all
You look at your brother man you gotta see yourself
Gotta see the god within him
Brothers gettin changed real quick over nothin
We losin too many of ours
Gotta recreate y'all
Yo check it Knowin you the best part of life do i have the right to take yours
Cause i created you irresponsibly
Subconsciously knowin the act i was a part of
The start of somethin, i'm not ready to bring into the world
Had myself believin i was sterile
I look into mother's stomach, wonder if you are a boy or a girl
Turnin this woman's womb into a tomb
But she and i agree, a seed we don't need
You would've been much more than a mouth to feed
But someone, i woulda fed this information i read
To someone, my life for you i woulda had to leave
Instead i lead you to death
I'm sorry for takin your first breath, first step, and first cry
But i wasn't prepared mentally nor financially
Havin a child shouldn't have to bring out the man in me
Plus i wanted you to be raised within a family
I don't wanna, go through the drama of havin a baby's momma
Weekend visits and buyin j's ain't gon' make me a father
For a while bearing a child is somethin i never wanted to do
For me to live forever i can only do that through you
Nerve i got to talk about them niggaz with a gun
Must have really thought i was god to take the life of my son
I could have sacrificed goin out
To think my homies who did it i used to joke about, from now on
I'ma use self control instead of birth control
Cause \$315 ain't worth your soul
\$315 ain't worth your soul
\$315 ain't worth it I, never dreamed you'd leave, in summer
You said you would be here when it rained
yo
Why didn't you stay
Seeing you as a present and a gift in itself
You had our child in you, i probably never feel what you felt
But you dealt with it like the strong black woman you are
Through our trials and tribulations, child's elimination
An intergration of thoughts i feel about the situation

Back and forth my feelings was pacin
 Happy deep down but not joyed enough to have it
 But even that's a lie in less than two weeks, we was back at it
 Is this unprotected love or safe to say it's lust
 Bustin, more than the sweat in somebody you trust
 Or is it that we don't trust each other enough
 And believe, havin this child'll make us have to stay together
 Girl i want you in my life cause you have made it better
 Thinkin we all in love cause we can spend a day together
 We talkin spendin the rest of our lives
 It's too many black women that can say they mothers
 But can't say that they wives
 I wouldn't chose any other to mother my understanding
 But i want our parenthood to come from planning
 It's so much in my life that's undone
 We gotta see eye to eye, about family, before we can become one
 If you had decided to have it the situation i wouldn't run from
 But i'm walkin, findin myself in my god
 So i can, discipline my son with my writin
 Not have a judge tellin me how and when to raise my seed
 Though his death was at our greed, with no one else to blame
 I had a book of afrikan names, case our minds changed
 You say your period hasn't came, and lately i've been sleepy
 So quit smokin the weed and the beadies and let's have this boy
 I, never dreamed you'd leave in summer
 You said you would be here when it rained You said you would be here when it rained
 Ohh i, never dreamed you'd leave in summer
 Now the situation's made things change
 Things change
 Why, didn't you stay
 Why didn't you stay...
 I, never dreamed you'd leave, in summer
 In summer
 You said you would be here when, it rained
 When it rained, it rained
 Ohhhohh i, never dreamed, you'd leave in summer
 You said you wouldn't leave
 Now the situation's made things change
 Things change, why didn't you stay? Stay, stay stay stay stay stay stay
 Mmmmm, stayyy
 Uh-uh
 Ohh why didn't you stay.
