

# A Little Doubt Goes a Long Way

## Reel Big Fish

Uh, uh  
Uh, uh  
Uh, uh  
Uh, uh I gotta go, gotta go  
Before I do something stupid  
I gotta go  
I gotta go, gotta go  
Before I do something lame I know it's your fault  
That I'm in the mess I'm in  
And you think I'm cool  
But I don't, man  
And maybe, it's too soon (it's too soon)  
But I think it's too late (it's too late)  
But things like bad timing just won't wait Maybe it's not right  
I have a girlfriend  
Made a friend tonight  
Who is a girl and  
I just wanted to talk to you  
But then I started wondering  
If she's the one or not So I gotta go, gotta go,  
Before I do something stupid  
I gotta go  
I gotta go, gotta go  
Before I do something lame  
Maybe it's not right  
I have a girlfriend  
Made a friend tonight  
Who is a girl and  
I just wanted to talk to you  
But then I started wondering  
If she's the one or not Uh, uh  
Uh, uh  
Uh, uh  
Uh, uh Well, I know flirting is nothing  
And it should be where it ends,  
But I know, yes I know  
That I want you for more than a friend  
More than a friend Maybe it's not right  
I have a girlfriend  
Made a friend tonight  
Who is a girl and  
I just wanted to talk to you

But then I started wondering  
Oh yes, I started wondering  
If you're the one, ha ha So I gotta go, gotta go,  
Before I do something stupid  
I gotta go  
I gotta go, gotta go  
Before I do something lame I gotta go, gotta go,  
Before I do something stupid  
I gotta go  
But I know, I know  
That it's too late
