

# You're so Cold

## Two Feet

Lord only knows  
Why  
Why I love you so  
You're a heartless man  
I don't understand  
Why you gotta be  
Why do you need to be  
So  
So  
So cold?.Oh  
Oh, oh, oh, oh yeah  
Yeah  
Oh, oh, oh  
Yeah, yeah, yeah  
Ooh yeah, yeah, yeah, yeah  
So cold  
How can you be  
So cold  
So cruel to me  
Your heart  
Ice cold  
Don't even feel  
Your kiss is like fire  
But deep down inside  
You're so coldYou play games with my mind  
Cheat and lie time after time  
And I know you'll never change  
But I just can't break away, no  
I don't know why  
I let you treat me the way you do  
You're just no good for me  
I wish I never fell for you  
You areSo cold  
How can you be (Oh baby)  
So cold  
So cruel to me  
Ice cold  
Don't even feel  
Your kiss is like fire  
But deep down inside  
You're so coldOh  
Oh

So cold Oh, so many times  
You keep me waiting around endlessly  
You just laugh as I drown in despair  
Never a worry, never a care I don't know why  
I let you hurt me the way you do (Ohhh)  
You've got a spell on me  
I'm hopelessly in love with you  
You are So cold (Yeah)  
How can you be (How can you be)  
So cold (Oh, ooh)  
So cruel to me  
Your heart  
Ice cold (Oh yeah)  
Don't even feel  
Your kiss is like fire  
But deep down inside  
You're so cold So cold  
How can you be  
(How can you be so cold)  
So cold (To me)  
So cruel to me  
As your heart  
Ice cold (Ice cold)  
Don't even feel  
Your kiss is on fire  
But deep down inside  
You're so cold Made of stone  
Oh, you're wicked to the bone  
I give you my heart  
You tear me apart  
You're like a devil  
In disguise Oh, so cold So cold (How can you be)  
How can you be (how can you be)  
So cold  
So cruel to me (I can't take it no more)  
Ice cold  
Don't even feel (No more, no more)  
I can't wait another day  
Now I got to break away So cold  
How can you be (How can you be)  
So cold  
So cruel to me (Baby, your heart is)  
Ice cold (So cold)  
Don't even feel  
Your kiss is like fire  
But deep down inside  
You're so cold Oh, oh, oh yeah  
So cold  
Ice cold (Oh yeah)

Your kiss is like fire  
But deep down inside  
You're so cold
