

'Round Midnight

Miles Davis

It begins to tell round midnight, midnight
I do pretty well till after sundown
Supper time I'm feelin' sad
But it really gets bad round midnight
Memories always start round midnight, midnight
Haven't got the heart to stand those memories
When my heart is still with you
And old midnight knows it too
When some quarrel we've had needs mending
Does it mean that our love is ending?
Darlin', I need you, lately I find
You're out of my heart and I'm out of my mind
Let our hearts take wing round midnight, midnight
Let the angels sing for your returning
Till our love is safe and sound
When old midnight comes around
When some quarrel we've had needs mending
Does it mean that our love is ending?
Darlin', I need you, lately I find
You're out of my heart, I'm out of my mind
Till our love is safe and sound
Till old midnight comes around
