

GOKU

Jaden Smith

Oh! I feel like I'm-
Ooh, ooh, ooh
GokuBorracho, borracho, borracho
I'm super sonic with the vinyls
Ayy, tectonic volcano in a island you don't want no problems (Blow up)
All you jokers need to grow up
You ain't know it then, now you know it
Ayy, my credit card didn't go through
I'm ballin' I feel like I'm Goku
Ayy, ayy, yeah, come again
Ayy, yeah, uh I feel like I'm Goku
Look at 'em
Yeah, come again
Ayy, yeah
I'm ballin' I feel like I'm Goku
Ayy, my credit card didn't go through
I'm ballin' I feel like I'm Goku
Goku, ballin' I feel like I'm Goku
Ay, my credit card didn't go through
I'm ballin' I feel like I'm Goku
Ballin' I feel like I'm Goku (Oh!)
Ooh, ooh, ooh, ooh
Ballin' I'm feeling like Goku, Goku, Goku
Feel like I'm - oh
Ouu ouu, ouu ouu
Feel like I'm Goku, Goku, Goku, Goku
She just want happy, happy, happy happy endings
Girl just stop pretending and thats new beginnings
MSFTS music with a new lieutenant way too moist
Just hit you with that stupid vision
Man I'm balling jokers and my soup is finished
Bout to sip it, sip it, sip it, syrup
Need to quit the sipping syrup, for you in the dirt
Remember that's why they said they got a day for Yams
With my homies in the Jeep
Bumping Lord Pretty Flacko with the prayer hands
I said it once and I'm gon' say again
You rollercoastin' in Vegas man
I'm the closest to the greatest
That statement is daily debated
I'm slaughterhousin' on the pavement
Tell Charlamagne that we just made it

You can't even catch on my cadence
Just cause you lazy and faded
You washed up and wanna be famous
All the misfits they been waiting
I'm bout to play this on the stages
I'm bout to see them in amazement
All my verses been in cages
Bout to let em' loose and show the world where music ranges
Put they album on the pavement
Spit the fire till they cave in
Téo told me I should say Borracho, borracho, borracho
I'm super sonic with the vinyls
Ayy, tectonic volcano on a island you don't want no problems
All you jokers need to grow up
You ain't know it then, now you know it
Ayy, my credit card didn't go through
I'm ballin' I feel like I'm Goku Ayy, ayy, yeah, come again
Ayy, yeah, uh
I feel like I'm Goku
Look at 'em
Yeah, come again
Ayy, yeah, I'm ballin' I feel like I'm Goku
Ayy, my credit card didn't go through
I'm ballin' I feel like I'm Goku
Goku, ballin' I feel like I'm Goku
Ay, my credit card didn't go through
I'm ballin' I feel like I'm Goku
Ballin' I feel like I'm Goku (Oh!)
Ooh, ooh, ooh, ooh
Ballin' I'm feeling like Goku, Goku. Goku
Feel like I'm- oh
Ouu ouu, ouu ouu
Feel like I'm Goku, Goku, Goku, Goku Ayy, ayy, yeah, come again
Ayy, yeah, uh
I feel like I'm Goku
Look at 'em
Yeah, come again
Ayy, yeah
I'm ballin' I feel like I'm Goku
Ayy, ayy, yeah, come again
Ayy, yeah, uh
I feel like I'm Goku
Look at 'em
Yeah, come again
Ayy, yeah
I'm ballin' I feel like I'm Goku
