

# Fragile

## Kygo & Labrinth

Crazy to think, that a men can't hurt.  
Love takes its toll every time and don't work.  
When a door closes, another opens  
but it's hard to let go when your heart's broken.  
I give you my trust, can you give me your word?  
Come take my heart of Glass give me your Love.  
I hope you'll still be there to pick the pieces up.  
Baby you're fragile, fragile, fragile  
Baby you're fragile, fragile, fragile  
After he left you and ten times ten  
Could I put you back together again? Yeah  
When a door closes and another opens  
But I won't let go cause I'm not like him  
Baby just say the words, let the love begin  
Come take my heart of glass and give me your love  
I hope you'll still be there to pick the pieces up  
Cause baby I'm fragile, fragile, fragile  
Cause baby I'm fragile, fragile, fragile  
Oh oh oh oh, oh oh oh oh oh  
Yeah, you will take yours and mine  
I got your heart of glass and you've got my love  
I know we'll still be there to pick the pieces up  
Cause baby we're fragile, fragile, fragile  
Cause baby we're fragile, fragile, fragile  
Oh oh oh oh, oh oh oh oh oh yeah  
oh yeah oh yeah oh yeah  
oh yeah oh yeah oh yeah  
oh yeah oh yeah
